Dear sir/madam

Re: Application for ICT Internship.

I am writing to express my strong interest in the position mentioned above. As a passionate and self-driven individual with a solid foundation in IT, I am excited about the opportunity to contribute and gain valuable hands-on experience in a professional setting.

With a background in Information Communication Technology and in data analysis and interpretation using SPSS and STATA, I am confident in my ability to excel in this role. I have always been fascinated by the ever-evolving world of technology and its impact on businesses which aligns perfectly with the requirement of this position.

I have gained practical experience through internships and coursework that have equipped me with a diverse skill set. From troubleshooting hardware and software issues to developing and implementing efficient IT solutions, I have honed my technical abilities and problem-solving skills. I am self-motivated with the ability to work independently but I can also function and get along well as part of a team. I possess excellent time management, organizational and multi-tasking skills. Additionally, my strong communication skills allow me to effectively collaborate with cross-functional teams and provide exceptional support to end-users.

In closing, I am thrilled about the opportunity to join this program as an ICT intern. I am confident that my skills and dedication make me an ideal candidate for this position. Thank you for considering my application. I look forward to the possibility of discussing how I can bring my contribution.

Sincerely,

Signature

Kiprotich Collins.
